

TxOH

Occupational Health Podiatrist

Occupational Health Podiatrist

TxOH is part of TxGroup, a private organisation which provides a variety of health and education therapy services in the North West of England. TxOH aims to help maximise productivity, health and happiness at work whilst minimising absenteeism, stress and injury and promoting mental health. TxOH deliver flexible and personable services to case managers, solicitors, businesses, public sector and performing arts.

TxOH provide a high quality and bespoke occupational health podiatry services to businesses and organisations within the north west. Our occupational health podiatrists are reliable, adaptable and aim to exceed the expectations of their clients using a range of assessment and treatment techniques. Our occupational therapists are fully qualified and registered with the HCPC and SCPOD and regularly undertake continued professional development to ensure their treatments are evidence based and effective.

The occupational health podiatrists at TxOH aim to promote occupational health and wellbeing and reduced absenteeism through providing a range of assessment and treatment techniques. Our Podiatrists will work universally within an organisation to promote knowledge of foot health and care and assess current policies regarding footwear within the workplace. The podiatrist also provides targeted and specialist services within the workplace to reduce the occurrence of musculoskeletal, skin and nail disorders by advising appropriate footwear, return to work programmes, workplace adaptations, providing orthotics and a range of skin and nail treatments. Our occupational health podiatrists also complete appropriate and detailed occupational health, second opinion, employment tribunal, ill health retirement and medico-legal reports.

 6 Minshull Street, Manchester M1 3ED

To be successful in this role you would need to:

- Provide a high-quality occupational health service to businesses, organisations and within the public sector in the North West.
- Build a good rapport and gain confidence with clients.
- Communicate effectively with clients and the MDT to coordinate supported care and build a positive reputation for the company.
- Be flexible in your approach and capable of working both independently and as part of a team.
- Have a good understanding of evidence-based practice and apply it within the field.

The successful applicant must meet the following requirements:

- Competent in the use of local anaesthetic.
- HCPC registered.
- SCPOD registered.
- Complete a HCPC registered BSc Hons podiatry (2:2 and above).
- Enhanced DBS check.
- Knowledge of CPR and anaphylaxis (mandatory yearly).
- Strong evidence of continued professional development.
- Experience of report writing.
- Experience working with other professionals in a multidisciplinary team.
- Experience working with case managers, solicitors, businesses, performing arts or public sector.
- Regular CPD updates- own initiative to further yourself (we will pay for CPD and training).
- Full driving licence.
- Access to a car.
- Willing to obtain enhanced DBS.
- Willing to work flexibly- evening or weekends.

Our ideal candidate will be an enthusiastic and professional occupational health podiatrist with a keen interest in occupational health and wellbeing. They will be personable and approachable and understand individuals physical and emotional needs. They will be empathetic, flexible and interested in current research and ensure all treatments provided are high quality and evidence based. They will have excellent communication and literacy skills and be comfortable discussing sensitive topics with employers and employees.

A successful applicant will be effective working individually and as part of a multidisciplinary team and understand the benefits and importance of MDT working. They will hold the ability to perform high quality assessment and a range of treatment techniques and have experience writing medico-legal reports. They will be flexible and adaptable to provide treatments in a range of environments onsite and offsite and have the ability to drive. They will have excellent organisational skills and the ability to deal calmly with all types of people. They will strive to provide high quality, evidence based occupational health podiatry services to organisations and businesses within the North West. Our ideal candidate will have strong prioritisation and organisation skills and be competent in IT and be able to demonstrate commitment to their own professional development.
